

Understanding Your Programming Appointment

Communicate with Success

*Are you considering cochlear implants for yourself or your child?
Or, do you or your child already have an Advanced Bionics cochlear implant?*

Join us for a session with the ABUK Clinical Specialists to learn everything you need to know about your cochlear implant programming appointment. There will be opportunity for you to ask any questions that you might have yourself, or on behalf of a loved one or friend. You can submit these when you register, by emailing hear-uk@advancedbionics.com, or ask on the day!

Date: Wednesday 15th February 2023
Time: 2.00pm - 3.00pm
Location: Zoom
Register Online: <https://bit.ly/3Qx6VzM>

For more information email hear-uk@advancedbionics.com or visit www.advancedbionics.com/uk-events
